

Brown Family Short Bio

Daniel Johnson Brown (*March, 1985*)

I was born and raised in Livonia, Mi. My family attended Parkview Baptist Church. I received Jesus Christ as my personal Savior at the age of 15. At the age of 17, after a period of spiritual growth and discipleship training, I surrendered my life to preach the gospel of Jesus Christ. After graduating high-school, I furthered my ministry training at Crown College of the Bible in Powell, TN. I graduated in 2008 with a Bachelors Degree in Missions.

Deana Lea Brown (*July, 1983*)

I was born and raised in Murfreesboro, TN where my family attended Franklin Road Baptist Church. I received the Lord Jesus Christ as my personal Savior at the age of 10. The Lord burdened me for world missions while I was still in high school. I graduated from Franklin Road Christian School in 2001. I then attended Crown College of the Bible and graduated with a Bachelor's degree in Missions in 2005.

We met in Bible college, and were married in December of 2005. After we were married, we served in two Baptist churches in the U.S., in addition to our "pre-field ministry" (2011-Jan, 2013) in churches throughout the country. We have lived in Germany since February of 2013, and are currently serving at the Freie Baptistengemeinde in Leutkirch, Germany, a church which we helped start.

The Lord has blessed us with three children; Micah (2010), Kaylee (2012) and Tobi (2016).
